[ANNUAL CAMERA CLUB POTLUCK FIESTA](#)

Wednesday, March 15, 2017 at the West Social Center

The potluck is open to all Camera Club members. Each member may bring one guest.

Those attending are asked to bring a dish for 8 - 10 persons for each 2 attendees. Follow the chart below on what dish to bring. If you last name starts with:

* A to J: Salad

* K to P: Dessert

* Q to Z: Hot Dish

Please note: NO plug-in pots will be allowed

Do not bring serving utensils. If bringing a dish that needs to be cut or divided, please cut at home. It is too time consuming to do this at the potluck. And the longer it takes us to get everything ready, the longer you will have to wait in the lobby. – Thank You!

Disposable plates, forks, spoons & glasses will be provided. BYOB if you want something other than Water, Coffee or Tea. If you are willing to help serve the evening of the Pot Luck Meal, please call/email Emily Bagley at 648-3493 or eabagleyinaz@gmail.com.

Please remember to call or email Emily if you need to cancel.

I want to thank the Camera Club and all of the monitors for their devotion to volunteering in the 6 years I was the Monitor Scheduler. The monitor volunteers made my life so much easier. You are all a great group. Bob Puttock is now the Monitor Scheduler and you should direct all monitor related info to him at: monitorbobputt@gmail.com.

Thanks again,

TSIG Late February 2017, Did you miss out? Travelogue on February 21, 2017, 7PM, was great fun! Those attending got to see Scotland's sheep, collies, even soldiers, thanks to Marilyn Scase; **Puerta Vallarta**... shared by Pat Leege (and personally shared with Ron and I...thank you for a beautiful trip!); **Maui** -above and under water -as captured by Don Lovely, we appreciated finally getting there even vicariously, and **"Burning Man"** -a strange and unusual vacation week spent with flower children and Don Spear. Thanks Don for showing how some others commemorate. Ensure you get Travelogue on your calendar for March 21,2017...the last of our season. Sign up with Wild Apricot, click to place it on your calendar, and even get an automatic reminder before movie night. Bring more folks than yourself if you'd like. No tickets or print outs required!

Mounting Prints On Foam Core Video

You've seen prints mounted on Foam Core in Camera Club displays. Members have been asking for classes or instructions on how to create the lightweight and inexpensive mounts. Thanks to the Multi-Media Special Interest Group, the Camera Club now has an instructional video available that demonstrates the process.

This link will take you directly to the Video:
