The potluck is open to all Camera Club members. Each member may bring one guest.

Those attending are asked to bring a dish for 8 - 10 persons for each 2 attendees. Follow the chart below on what dish to bring. If you last name starts with:

* A to J: Salad

* K to P: Dessert

* Q to Z: Hot Dish

Please note: NO plug-in pots will be allowed

Do not bring serving utensils. If bringing a dish that needs to be cut or divided, please cut at home. It is too time consuming to do this at the potluck. And the longer it takes us to get everything ready, the longer you will have to wait in the lobby. – Thank You!

Disposable plates, forks, spoons & glasses will be provided. BYOB if you want something other than Water, Coffee or Tea. If you are willing to help serve the evening of the Pot Luck Meal, please call/email Emily Bagley at 648-3493 or eabagleyinaz@gmail.com.

Please remember to call or email Emily if you need to cancel.

Mounting Prints On Foam Core Video

You've seen prints mounted on Foam Core in Camera Club displays. Members have been asking for classes or instructions on how to create the lightweight and inexpensive mounts.

Thanks to the Multi-Media Special Interest Group, the Camera Club now has an instructional video available that demonstrates the process.
