March 17, 2017

March 21, 2017, The Last of our Season Don't miss out

Free Movie Night! Join GVR Camera Club members and guests as we travel far afield for the last Travelogue of the season... Tuesday evening March 21, 2017 at 7:00 PM in the Anza Room, Santa Rita Springs.

Don Spear is back, this time to take us on a journey through France. Visit current France and reflect upon our relationship with its past.

Don Lovely will share his gorgeous bird and wildlife photos taken on a number of travels.

Russ Carpenter will share a unique presentation of Morocco.

Those of you working hard at ProShow classes, or iMovie, or Multi-Media SIG, this is your chance to shine! We have room for one more show. If you'd like that to be yours, call me at [520-665-9771](tel:520-665-9771) or e-mail hollychorba@gmail.com.

Happy Trails, Holly

Encore Presentation

'Into Africa'

Thursday, March the 23rd, at 7pm

Linda Gregory will give an Encore presentation of her "into Africa" presentation from the last Membership Meeting.

When Linda Gregory mentioned to Camera Club friend, Patty Ferguson, that her dream was to travel to Africa, Patty said, "I'll go." They selected an Overseas Adventure Travel trip, Ultimate Africa, based on the positive feedback other members had provided. The goal was to see the animals in the wild, but the birds and cultural experiences were equally as rewarding. They visited locations in South Africa, Botswana, Zambia, and Zimbabwe. They started the trip with a Kruger pre-trip where they saw the big five in four days. It only got better from there. Come and see their photographs and have an opportunity to ask them questions about their trip.

April Speaker - Ted Fleming

April 20, 1:30-3pm

An ecologist by training and a long-time amateur photographer, Mr. Fleming spent most of his career as a Professor of Biology at the University of Miami. His research specialty is tropical plant-animal interactions, particularly pollination and seed dispersal mutualisms. He traveled extensively in the tropics for research, always with a camera in tow. Mr. Fleming feels that his photography has really blossomed in the digital age. "I'm particularly interested in 'painterly' images and usually convert my favorite photos into digital paintings under the influence of artists such as Monet, Renoir, Van Gogh, Edward Hopper, Georgia O'Keefe, and Maynard Dixon". He has rather eclectic tastes in his subjects but has not done much landscape photography. Given his background as a biologist, he particularly enjoys photographing wildlife, but also likes to photograph people 'doing interesting things'.

As an artist, he is often drawn to images that are visually complex (reflecting his lifelong interest in biological diversity) and colorful. He also seeks images that are elegant in their composition or graphic elements. One of his current techniques involves creating photo montages as a way of emphasizing the place of wildlife and people in their natural environment.

A former president of Club Camera Tucson and has photographic images that have appeared in a variety of local galleries and exhibitions, including Tohono Chul, Tubac Center of the Arts, Dove Mountain Gallery, Ventana Medical Services, and Toscana Gallery. Two of his fine art books ('Art in the Park' and 'Bisbee') are available in local bookstores.

The NEW Class/Field trip events page is up and running on Wild Apricot

Mounting Prints On Foam Core Video

You've seen prints mounted on Foam Core in Camera Club displays. Members have been asking for classes or instructions on how to create the lightweight and inexpensive mounts. Thanks to the Multi-Media Special Interest Group, the Camera Club now has an instructional video available that demonstrates the process.

This link will take you directly to the Video:

<https://vimeo.com/202132687>

Newsletter Archive

If you are interested in viewing past Club Newsletters, they will now be available at the link listed below.

Picture of the Day

POD will be **highlighting** photographs that have been previously posted on Face Book.

"A LOOK BACK" will begin on January 6, 2017 and continue until further notice.

Thank you to the members who have contributed to POD and we look forward to those members who join the ranks of PODers in the future.

Continue to email your photos to:
