May 2017

Summer Hours will continue until November 6, 2017

We Need Monitors!

Have you ever wondered how to become a monitor at the club?

Just call Joan at [1-520-419-0438](tel:1-520-419-0438), and she will make sure you are working in no time.

To our current monitors, we all owe you a huge **THANK YOU** for your volunteer hours! Without you, the club could not be open. Our staff dwindles at this time of year due to the flight of our snowbirds, illness, etc. so we are asking you to consider filling in those "Need Monitor" spaces on the calendar, working two or more shifts per month, and taking morning shifts in the Summer if you usually work only afternoons in the Winter.

Thanks again,

Bob and Joan

Photo Opportunities

- May 3-6 Southwest Wings
swwings.org/spring-fling
- May 5 Cinco de Mayo
- May 5 Mariachi Madness
active.com/sahuarita-az/classes/mariachi-madness-2017

Mounting Prints On Foam Core Video

You've seen prints mounted on Foam Core in Camera Club displays. Members have been asking for classes or instructions on how to create the lightweight and inexpensive mounts. Thanks to the Multi-Media Special Interest Group, the Camera Club now has an instructional video available that demonstrates the process.

This link will take you directly to the Video:

Picture of the Day

POD represents our camera club and the amazing talent we have in our membership. I have been privileged to showcase our **skills** and to post our photos everyday on the club's **Face Book** page.

POD will continue to **"highlight"** previously posted photographs while the folder with our newest images begins to **revive!** **Thank you** for emailing me your **BEST** images...those you have carefully and lovingly edited to make them your **BEST!**

Visit our Green Valley Camera Club **Face Book** page and enjoy the beauty and skills represented by our camera club members.

Photos Needed!

Let your photos be seen. We are in need for photos that are **'matted & framed'** to display in area centers throughout Green Valley.

Please bring your favorite **'Framed or Foam core'** photos to the Camera Club today!
